

## **Detailed guide for class presentations - Assignment # 2**

---

Here are key points for you to address in your class presentation. Please note that this guide is given to you with the objective of increasing your understanding of the health sector that you have chosen.

### **Area to discuss in your presentation**

Specific details on how your sector is organized *and monitored* (even individuals such as nurse practitioners belong to organizations or 'professional associations' who regulate their practice)

#### 1. Role of sector within Health System 4 points

- Identification and key characteristics of the health sector of your choice
- Mission, Vision, Mandate ? *What services are they mandated to provide*
- Objectives: *What do they do?*
- History (*may be more specific, what type of history?*)

#### 2. Strengths of the health sector 4 points

How effective is this health sector in fulfilling its mandate? *in providing services?*

What is keeping this sector from achieving its purpose. Are these due to internal, external factors, or both?

- Programs/activities
- Funding cuts
- Strategies/lobbying
- Policies/feminist anti-racism etc.

#### 3. How well is this sector serving the Hispanic community? 4 points

- Representation of population it serves
- Conflicts
- Impact of weaknesses on Hispanic community

#### 4. Critical thinking and analysis: 4 points

- What is your own view of how *well* this sector functions?
- What would you do the same?
- What would you do differently?
- How can this sector be involved in *Mujer Sana- Comunidad Sana?*

#### 5. Conclusions 4 points

- What do you expect of this sector in the future?
- Is your analysis informed by class discussions, reading materials, personal experience, other?

Please practice your presentation at home to ensure that you cover all points within the time allocated to your group. You have 30 minutes maximum to present your sector.

*Other evaluation criteria:* 5 points

*Presentation style*

*Materials used*

*Facilitation of discussion after your presentation*

*Working as a team (?)*
